

MISSISSIPPI AUTISM RESOURCE LINKS

Statewide Resources + Special Mississippi Gulf Coast Section

West Wind Storm LLC

Loudly Helping the Quiet Ones

This free guide is a simple starting point for autistic adults, families, caregivers, supporters, and professionals looking for autism-related resources throughout Mississippi. A special Gulf Coast section is included because services can be harder to locate along the Coast.

Blue resource names and website addresses are clickable. If a browser preview blocks links, download the PDF and open it in a PDF reader.

Listings are provided for information only and are not paid endorsements. Please verify age ranges, adult evaluation availability, insurance, eligibility, wait lists, and current services directly with each organization.

Autism Evaluation & Clinical Services Across Mississippi

The official Mississippi guide includes additional evaluators and service providers. Many programs primarily serve children or emerging adults, so adults should confirm the provider's current age range before scheduling.
